Class of 2020 - Graduate Celebration

Who: The Bullitt East High School Class of 2020 and household relatives. Unfortunately, due to COVID-19 restrictions, friends and family members who live outside the graduate's home will be unable to attend.

What: A Graduate Celebration! Graduates should wear their cap and gown as this event will be recorded and a formal cap and gown photo will be taken.

These short video clips will be edited together to create a graduate celebration that will be streamed for public viewing later this summer. More information will be shared at a later date regarding online viewing, purchasing, etc.
