HOMEWORK POLICY

DEFINITION

Homework will be used to increase students' opportunities to learn. It is completed outside the classroom and is intended to provide added opportunity to practice skills, engage information, and explore topics using varied learning styles and interests. Homework assignments will include not only written assignments but also opportunities to take part in cultural and creative activities and real-world applications of learning.

PURPOSE

This policy is intended to guide all faculty, parents, and students and to establish responsibilities and guidelines for standards for the assignment, evaluation, and monitoring of homework assignments.

The policy does not apply to students receiving homebound instruction or whose Individualized Education Plans require that homework be addressed in a different way.

4. Return collected homework in a timely manner and provide instructional follow-up and feedback that focuses on content and performance standards.

2. Ensure that homework is not used as a punishment or reward.

3. Plan the best time to complete work.

PARENTAL SUPPORT

Parents will be urged to actively involve themselves with their children's schoolwork by doing the following:

1. Showing interest with questions about and comments on the schoolwork children bring home.
2. Providing a suitable place to study that is free from disturbances and by supplying needed materials for completing homework.
3. Prompting and offering to clarify instructions and answer questions, but not sitting with the child.
