Attention all senior class parents and supporters,

It's that time of year to let your favorite graduate know how proud you are of his or her achievements. Why not make your pat on the back last forever?

We at the Endeavor would like to extend to you the opportunity to have your words and photos immortalized in our school annual. Hundreds of people have taken advantage of this unique media and have been pleased with the results. It's easy to see why they are pleased when you consider that your moment is captured in high resolution and is full color. You simply can't get quality like this with an ad in the newspaper.

Our award winning design team is ready to turn your pictures into a graphic collage. All we need is your pictures and your thoughts and words that you would like to share with your graduate.

Thanks for your support of our students and our publication,

Mr. Larry Steinmetz  
Editor-in-chief

# Shelbi Turner

Shelbi, I never knew love until I met you; I never knew true beauty until I saw you smile; I never knew true music until I heard you utter your first words; I never knew true happiness until I heard your laugh; I never knew life until God gave me you! My amazing daughter, you have made me more proud than I ever deserved to be. Watching you grow and become the extremely talented, compassionate, loving, beautiful young woman you are today has been an honor. Thank you kid for one of the best rides ever... I can't wait to see the adventures you will have as you step out into the world! I will be here always, cheering you on because I am and will always be your BIGGEST fan!

I ADORE YOU!  
Always and Forever,  
Mom, Dad, and Morgan

# Joshua Milburn

We knew your name before your conception, Joshua. We loved you before we met you. We were meant to be your parents and you our son. Your smiles and tears have been our smiles and tears. From bugs and bikes to driving and jobs in what seems like days (well sometimes... haha!). Strength beyond strength is what you have, and our hearts know YOU can accomplish anything. As you venture out into the world; eyes open, shoulders back, chin up, and every door is open.  
Ever proud, All our Love,  
Mom and Dad

# Madison Phillips

Madison, Congratulations! We are so very proud of you. You have grown into a smart and beautiful young lady. Now, as you enter into college, we look forward to seeing your continued success. We will always be here for you. We love and support you!  
Mom and Dad

# Candice Hogue

Candice, we love you and are very proud of you. Reach for the stars and never settle for less.  
Love, Rob

Candice, you can accomplish anything your heart desires. Rob and I are so very proud of you. You have grown up to be such a wonderful young woman. It seems like yesterday I was holding you in my arms. All the memories of you growing up are embedded in my mind forever. I love you so much.
