A Message from the Department of School Nutrition Services

The Department of School Nutrition Services will be conducting a summer feeding program in which ***meals will continue to be provided at no cost to families to any child 18 years of age or younger.*** The Summer Feeding Service Program is a federally funded and regulated program which ensures that quality meals are provided to children 18 years of age and younger during the summer months when school is not in session.

We are excited to communicate that our department will be offering 7-day meal packs which will be available for pick up by family members and/or any representative on behalf of a child. These 7-day meal packs will include 7 breakfast meals and 7 lunch meals. Our department will adhere to the meal pattern which has been established by the federal government; therefore, each meal will consist of the following components:

Breakfast	Lunch
1 serving grain/bread ½ cup fruit or vegetable 8 oz. milk	2 oz. meat/meat alternate 1 serving grain/bread ¾ cup total fruit and/or vegetable (2 different items) 8 oz. milk

These meal packs will be available two days a week at four different locations. We do ask that you request meal packs in advance in order to help us plan accordingly (see hyperlink below); however, it is not expected. Please see the table below which includes site locations and available dates and times for pick up:

Serving Sites	Dates for Pick-Up					
Lebanon Junction Elementary (LJES)	Wed. June 16	Wed. June 23	Wed. June 30	Wed. July 7	Wed. July 14	Wed. July 21
