

Bullitt Lick Middle School

Title 1 Learning Compact

Among the strategies for student learning and engagement, collaborative cooperation has been the most proven path to success. Therefore, we in the Bullitt Lick Middle School family look to create this compact among all stakeholders in the learning process to unite us in this common principle.

As the Parent(s)/Guardian(s), I will strive to:

- ✓ Making sure my child arrives at school on time each and every day prepared with all necessary tools and supplies.
- ✓ Providing our child with all manner of support at home, including homework/study time.
- ✓ Promoting academic excellence, especially in reading.
- ✓ Providing the school with current contact information.
- ✓ Making sure our child cooperates with all school rules.

As a Student, I will strive to:

- ✓ Arrive at school on time and come prepared to class.
- ✓ Know, understand, and cooperate with school rules.
- ✓ Show respect to my classmates and school staff.
- ✓ Work cooperatively and constructively during class and give my best effort.

As a Teacher, I will strive to:

- ✓ Give parents the necessary assistance to help their child with any work assigned in my classroom.
- ✓ Make BOTH students and parents aware of their progress in my class.
- ✓ Provide consistently feedback, including positive comments.
- ✓ Provide an inviting, positive learning environment.
- ✓ Hold students to high expectations with the belief that *all students CAN learn*.

I have read the BLMS School Involvement Policy and Compact and I have no objections. I will support the standards outlined in the School Compact.
